

Rush United Methodist Church
Leadership Committee Meeting Notes
April 8, 2020

Present: Pastor Todd, Jim Comstock, Chris Chamot, Cindy Wallace, Tanya Hunt, Geoff Furman, Erin Bills, Kellianne Williams

Meeting called to order by Tonya Hunt

Purpose of the Meeting:

- A. To discuss the recommendation from the Finance Committee for the application for a government loan/grant to Rush United Methodist Church for staffing for the church and PromiseLand Daycare under new regulations for funding small businesses. The amount on the application will be \$95,000 which covers payroll for the 2.5 months allowed by the federal government.
- B. A motion was made by Jim Comstock to approve the application and seconded by Erin Bills. The motion was passed unanimously.
- C. Since the application is time sensitive (Barb Kingsley has to apply right away before the government's money set aside for these loans is used up by other small business applications), she will apply immediately.
- D. The Leadership Committee expressed its obligation to inform church members through announcements at church services and Rush Tidings about this grant/loan. Our District Superintendent has also been notified.
