March 2026

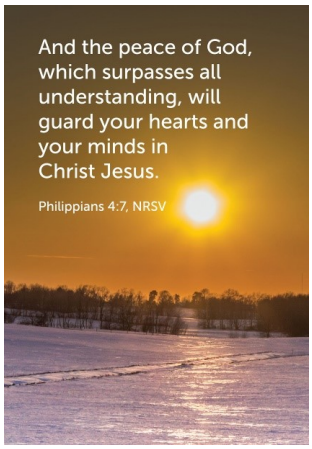

A Note from Pastor Kyle

It's that time of year again. The brackets are printed, the coffee is brewed, and millions of Americans are preparing for a three-week roller coaster of emotions. Yes, it is March Madness. The NCAA basketball tournament is a whirlwind of buzzer-beaters, unexpected upsets, Cinderella stories, and the agonizing heartbreak of a team's championship dreams ending in a single second.

It's "madness" in every sense of the word.

As some of us get caught up in the excitement, it's easy to see the parallels between the court and our own lives. Life, too, can feel like a tournament - frantic rush to meet deadlines, the anxiety of unexpected challenges, and the desperate hope for a last-second win in our personal struggles. But amid the chaos, March Madness offers some surprisingly profound lessons on faith, perspective, and, most importantly, finding a deep, abiding calm in the storms of life.

Life is Unpredictable (But God is Constant)

Draftkings.com estimates suggest millions of people fill out brackets, trying to predict the perfect tournament outcome. Yet, after the first weekend, very few, if any, perfect brackets will remain. The tournament teaches us that the best-laid plans can be shattered by a single unexpected moment.

Our lives are frequently just as unpredictable. A health diagnosis, a financial setback, or a broken relationship can disrupt our plans in an instant. We often feel the need to try and control everything as well as to predict our future. And this often leads to frustration and anxiety.

The lesson? Trust God for tomorrow, rather than relying on our own predictions. While the bracket of life may look like a "bust" at times, our hope rests not on an unpredictable game, but on an unchanging God. Read Proverbs 14… it reminds us, human plans can fail, but God's purpose prevails.

2. Cinderella Stories and Divine Hope

We love the "Cinderella stories"— the small, unranked underdog that takes down a top-seeded powerhouse. It's the David versus Goliath story played out in modern sports. These upsets remind us that even when the odds seem insurmountable, hope exists.

In our own lives, we often feel like the underdog. We face insurmountable odds—money problems, family drama, or spiritual burnout. It's easy to feel written off, backed into a corner, or like we simply cannot win.

Yet, March Madness teaches us that it is not "the sum, of size or strength" that bring success… it is the faith of something greater. The game teaches the world that David can beat Goliath. And when that victory happens, it draws everyone more toward the love of the game. Our victory, however isn't found in the temporary triumphs of a game, but in Christ, who has already secured the win against what we at times feel are insurmountable "realities".

3. Finding Calm in the Storm

When a basketball team is down by 15 points with only a few minutes left, the pressure is immense. The teams that win are not the ones who panic, but the ones who stay calm, focus on the fundamentals, and trust the game plan.

Life can at times put us in a panic. It's in these moments that we feel like the disciples. Read Mark 4:35-41. The story of Jesus calming the storm reveals a powerful truth: Jesus was with them in the boat, calm and in control, even when they were terrified.

True peace is not the absence of chaos, but the presence of God in the midst of it. We can find calm by shifting our focus from our own panic to the unchanging character of a compassionate God. As Philippians 4:6-7 promises, we can trade our anxiety for a peace that passes all understanding, a peace that guards our hearts and minds in Christ Jesus.

4. Resting in the "March Gladness"

Ultimately, March Madness is just a game. It can be a fun distraction, but it's a terrible god. If our primary hope is placed on a team's success, we will be disappointed. However, we can turn this "March Madness" into "March Gladness" by celebrating the joy brought by the entire event. Not by a win or a loss but rather by the love of the game.

This March, as you watch the games, let the tournament be a reminder to you. Let's enjoy the games, cheer for the underdogs, and celebrate the thrilling moments. But more importantly, let's find our true, lasting calm in the One who walks with us through every storm—the true Champion of our lives. Let us now and always remember the Love of God.

Ladies' Lunch Bunch

The Ladies' Lunch Bunch is a time of fellowship for women in our church community who are single, widowed, divorced, or separated – *or who just may need an opportunity for a good meal and conversation!* They meet the first Monday of each month, at 12:30pm, in the church Fellowship Hall. **This month's luncheon is scheduled for Monday, March 2.**

If you would like to join Pastor Kyle for lunch this month, please let Barb Kingsley, or Cindy Gray know. Reservations are not required, but it's helpful to have a rough idea of how many are coming, in order to know how much food to prepare. If you would like to know more about this opportunity, please call Cindy Gray at 585-362-6206 or contact her at cgtgray1039@gmail.com.

Board of Trustees: "Handypersons Needed!"

If you enjoy fixing things, and have some skills, Rush Church needs you! From little jobs (attaching doorstops, patching dry wall / ceilings), to bigger jobs: painting, plumbing… our church building could use some love. If you are looking for a way to help out, without a big-time commitment, we can help! Want to know more? Contact Cindy Gray or Geoff Furman. The next Board of Trustees meeting is Monday, March 2 at 7:00PM.

Daylight Saving Time Begins

Sunday, March 8 – remember to set your clocks ahead.

Lenten Soup and Bread Luncheon

This congregation has become known for its wonderful cooks, and this is your opportunity to put your "best soup forward!" On Sunday, March 8, we will have a soup and bread luncheon following the church service. Everyone is invited to bring a pot of their favorite soup to share. In addition, we invite our bread bakers to make and bring a loaf of bread – any kind – to add to the feast.

You don't have to make soup or bake bread to join us in our meal! You just need your appetite!! Mark your calendars, start checking recipes, and plan to join us.

A Special Sunday - March 15, 2026

On UMCOR Sunday, we join our United Methodist connection in a special offering to support the United Methodist Committee on Relief (UMCOR), the humanitarian relief and development arm of the church. UMCOR comes alongside individuals, families and communities affected by natural or human-caused disasters – famine, hurricane, war, flood, fire or other events – to alleviate suffering and serve as a source of help and hope.

Your donations equip UMCOR to respond quickly when disaster strikes and to stay for the long term. From training volunteers to keeping the office lights on, the UMCOR Sunday special offering helps cover the costs of this nonprofit UMC organization and allows for 100% of gifts given in response to disasters to assist with the disaster.

Thanks to UMCOR's reliable infrastructure, expert leadership and trained volunteers, every dollar received is leveraged to work as hard as possible, meeting the needs of people in crisis around the world. UMCOR equips and partners with churches, annual conferences and local organizations to help communities rebuild, even when rebuilding takes years.

When you give generously to support UMCOR Sunday, you embody God's love in action.

Giving in The United Methodist Church is more than a financial act — it's a bold expression of faith. It fuels ministry across borders, languages, and cultures, and becomes a witness to God's expansive love. Our generosity fuels hope, relief and ongoing recovery for communities in need — a powerful reminder that we are never alone in times of crisis. Together we are united in making a lasting impact.

March Community Dinner – and Putt-Putt Event!

The March Community Dinner is scheduled for Wednesday, March 25, so mark your calendars now, and plan to join us for a Corned Beef and Cabbage dinner! (There will be child-friendly and gluten-free options available.) We will also have a Putt-Putt course set up in the church lobby, for everyone to enjoy. Everyone is invited, so please share this invitation with your neighbors, friends, and family.

If you would like to provide a putt-putt hole for this event, please contact Cindy Gray. The more holes to play the better!

Easter Memorial Plants

To celebrate the Resurrection and remember/honor a loved one, why not order an Easter Plant?

Flowering plants will grace our Sanctuary with their beauty on Easter Sunday, April 5.

A form for ordering "Memorial/In Honor of" plants is on the shelf between the inner and outer doors and on the kiosk in the church lobby or you can call the church office at 533-2170. Orders must be placed on or before Wednesday, March 25. If no one answers the phone, please leave a message with your name and phone number and I will return the call when I return to the office or send an email to barbara.kingsley@rushumc.org. The prices are as follows:

Choir Update

Rehearsals for the Lenten Cantata have begun. If you would like to join us for the telling of the Passion Story through music, rehearsals are Wednesday evenings at 6:30 and Sunday morning at 8:30. Our dress rehearsal will be March 28 at 9:00am and we will be singing the Cantata on Sunday, March 29 during the regular Sunday service. If you've been thinking about joining the choir, now is a great time to join and sing a joyful song unto the Lord! If you have any questions, feel free to reach out to Kellianne Williams (choir director) at (585) 507-1996 or klkw1212@gmail.com.

High School Senior College Scholarship

Each year, Rush United Methodist Church awards a scholarship for graduating high school seniors who are pursuing further education at an accredited college or university. This scholarship is a way for Rush United Methodist Church to bless graduates on their journey of higher education. The recipient of the scholarship for 2026 will be acknowledged during worship on Graduate Sunday in June.

The scholarship of $1,000 is given to a graduating High School senior who is an active member at Rush United Methodist Church.

The selection of scholarship recipient is based entirely on the candidate's written application. The Scholarship application is available on the church website, www.rushumc.com under "Quick Links" on the home page. The deadline to submit a completed application via email is Tuesday, June 9, 2026.

Take Me Out to the Ball Game!

Mission and Outreach

My Morning and Evening Prayerbook lists three purposes for the observance of Lent.

1. The ashes remind us of the destiny of our earthly bodies.
2. Wearing the ashes shows others that we are followers of Christ.
3. Wearing ashes is a sign of remorse. "We have a great hope of life with God when we die… but in the meantime this world is surfeited with sin, with plentiful injustice and hurt…We give our money and help to the needy, and this in turn helps us tamp down our sins of avarice and indifference." I think tamping down our indifference is a worthy goal. I believe this happens as we witness the people shopping at Super Sale, (possible because of the people who work the shed week after week), volunteering at Meal and More, RHAFT, rehabbing houses for refugees, visiting those who cannot get to church and the many additional ways we serve.

Our support of Musa weNkosi and Zululand hospice is another way we "tamp down our indifference" because we are aware of the disparities in our ways of life. The news from South Africa has been about the heat. While we dealt with freezing temperatures and snow almost every day for a couple weeks, for 3 weeks they suffered from temperatures between 35 and 40° C, that's over 100° F.

Of course, there is no air conditioning in the schools - "Normally as the children start school, they are given about 17 exercise books for the year that they have to cover. This year they only brought 3 books home because of funding shortages in the department of education. They are also short of text books and teachers!"

The shipping containers where the Nselini after-school program is located were boiling hot inside. They are meeting under the trees. "The children come home to the site hot and tired, not keen on doing more school work." They had rain over the weekend and the weather cooled. Joy has no volunteers to help her and will be on home assignment from March -June. Mama Shandu will provide meals, but there is no educational help. I hope we will be able to provide assistance during the week we are with hospice. We have room for more travelers.

A Sangoma (traditional healer) claimed Musa does not own the land and they want the fence moved so they can park on the land and use their toilets. It was explained that they paid for and own the land and hope the issue is settled.

The orphanage recently was inspected by people other than those who have kept them from admitting children. "There has been positive feedback, but still official silence. We trust and pray the Lord will enable us to start admitting again." This is a crucial concern because there are several children who have aged out or were discharged by the government social workers who refuse to leave.

Let us continue to care, pray and give as we share our love with the staff and children of Musa weNkosi.

I thank God for the commitment of Gavin and Elaine, Colin, Stacy and Joy, Londi, and Mama Shandu.

Prayer Needs:
Relief from the heat
Vehicles that do not break down
Absence of opposition at the orphanage site and in Nselini
Employment and a safe place to live for children aging out
Adequate competent staff and volunteers
Sponsors who pray regularly for the children
