From Pastor Todd

“Maybe you’re wrong,” I thought to myself after reading a politically charged, hurtful post by a friend on social media. Should I call him out, or just let it go? Drawing conclusions before gathering all the data and carefully studying the evidence can have unintended consequences and disastrous results. Knowing what data to gather can be just as important as its analysis and conclusions.

“Maybe I’m wrong,” I think to myself, recognizing the fact that I often err. Perhaps I need to widen the scope of my information sources, listen more carefully, examine more critically, think more deeply, and pray more thoroughly. Self-examination is a helpful discipline that, when used properly, can result in better discernment and decision making.

“Maybe we are both wrong,” is a possibility that once it surfaces it can’t be repressed. People are complex, juggling multiple challenges at any one time. Issues can have competing priorities, conflicting values, even destructive consequences. I should be more empathetic. Too often I find myself trapped into believing that life and discipleship is a zero-sum game – yes or no, wrong or right, win or lose, my way or your way – when it’s not. The challenges we face are often “both / and”, “yes and no”, a negotiated compromise that leads to a stronger, more cooperative way forward.

“Maybe we are both right,” is humble recognition that God is at work in the lives of each of us, and throughout all creation. I need to honor and respect God at work in someone other than me. Can I replace my self-center point of view with a God centered world view? Can we embark on a mission of more deeply learning about one another? The discovery of common ground, learning to live peacefully in spite of differences, and collaborating with others to advance values, vision, and goals results in stronger communities and is immensely rewarding.

Character matters.

There are many fine books and courses on leadership in the church, business, and government. I have learned much over the years about leadership, and I am grateful. At the same time, there is much about church leadership that is shallow, resulting in a cookie cutter approach for the purpose of church growth. “Look at me, study my example, see how I grew a mega-church, be just like me”. I stopped worshipping at the altar of church growth many decades ago. I live for Jesus. Growth for growth sake leaves me cold.

Few are the books and discussions on character. Character is what we say and what we do in public and in private. It reflects our deepest values and beliefs. It is, as some have observed, “what you do when no one is watching.” As a disciple of Jesus Christ, I’m in constant desire to improve my character, as John Wesley called it, “moving on to Christian perfection.”

I’m currently reading “Sailing True North” by 4 Star Admiral James Stavridis. He writes short biographies on ten different admirals in history who changed the world, with a focus on character. What can be learned about character, both good and bad, that can lead to our own reflection, transformation, and improvement? His insights are thought provoking and challenging.

Using the metaphor of the Apostle Paul, when I put on Christ, I’m also attempting to put on the character of Christ. Like dressing, putting on Christ is a routine practiced every day, lived out in words and deeds.

Beloved, be of good character! Make a New Year’s Resolution to journey with me, humbly growing in character, becoming more like Christ, moving on to perfection.

Todd R. Goddard

Human Relations Sunday

A special offering for Human Relations Sunday will be taken on Sunday, January 19, 2020. A leaflet/envelope will be in the bulletins. The Human Relations Sunday it is a Special Sunday that calls all United Methodist churches to participate in helping all God's children, particularly those that are marginalized, to realize their potential. It is a day to help nurture at-risk youth, strengthen communities' self-improvement efforts, and advocate for the oppressed. The funds raised offer support to Community Developers and United Methodist Voluntary Services programs related to the General Board of Global Ministries and Youth Offender Rehabilitation Program, General Board of Church and Society. This is one of six special offerings United Methodist Churches take each year.

Second Sunday Church Family Fellowship Lunch

Come after the 10:45 service on Sunday, January 12 for a time of fellowship and a meal. Meet families from the opposite service and get to know one another better. Enjoy a meal without having to fix it yourself. The cost is \$1.00 per person. Offered are child friendly, gluten free and vegetarian options.

The "Lunch Bunch" continues to look for people to join them. We prepare lunch the second Sunday of every month. We can use help shopping, setting up tables & chairs and setting tables, preparing lunch, making dessert, serving lunch, cleaning up, and washing dishes. So you see, there is something for everyone: first service – second service-youth-anyone/everyone.

If you're interested in helping in any way, let one of us know. Or if you get a "spur of the moment" urge, just pop into the kitchen on the Second Sunday between 9:00am – 1:00pm.

We are especially looking for people to provide dessert. It can be anything – cake, cobbler, pie, cobbler, pudding, cobbler, cookies, cobbler (OK, maybe someone spoiled us with their cobbler). We usually serve 80 people. We cover the expenses, and we'll even prepare it if you don't have time, but have a recipe. A sign up sheet is on Eagle Island in the church lobby.

We are looking forward to seeing you on January 12 or February 9 or March 8 or April 12 or May 10 (annual Mother's Day lunch) or June 14 or July 12 or August 9 or September 13 or October 11 or November 8 or December 13.

THANKS!

"Town Hall" Gathering

FCWC Help Needed

Flower City Work Camp is a ministry of Flower City Outreach, an organization that unites Rochester-area churches to deliver a range of services into the City of Rochester. Flower City Work Camp began in 1985 with a group of local youth leaders who had a desire to see their students serve in a meaningful inner-city ministry and a desire to impact the Rochester-area with the life-changing message of Christ's love. Using a national model, we developed a Rochester-based ministry that reaches the City with God's love in very practical ways. This year Flower City Work Camp is April 5 thru April 9, every year kids spend their Easter recess helping serve others around the city of Rochester. For this to happen we need the church to help and to be a part of this great experience. There are a number of ways you can help whether it be helping prepare food for the hungry workers at the various sites, or helping by being a site leader in which you do not need to be very experienced in because they have experts that will help and oversee the production. The site leaders are the most important because this helps us to be able to send youth. If you want to help, but these are not the areas for you some of the youth could use some financial support, if you want to do that just label it in the offering for FCWC. If you have any questions or would like to sign up to help, see Peter Lagueras or Tami Czerwinski (Groth) or check out the website flowercityworkcamp.org. Without the church's help this mission trip is not possible for the youth. Thank you for all you have done in the past as well as making this possible in the future.

PromiseLand - Thank you from PromiseLand

Thank you to everyone who has been a part of the PromiseLand ministry during the past year. It is truly a blessing to work each day with the wonderful families and staff of PromiseLand and walk with the church in this ministry. Thank you for your support through donations, help with our fundraisers, attending programs and volunteering. We are grateful for all the church does for PromiseLand. We also would like to thank the PromiseLand board members: Tanya Hunt, Alethea Coulter, Pastor Todd, Nikki Slavicek and our newest members Maggie Mazur and Alex Kreutter. Thank you to all!

Update Your Church Key!

If you currently have a key to the church, or if you are in need of access, see Paul Kingsley (585.507.1990) after January 1, 2020. Exterior and interior locks are being converted to keyless entry, using swipe cards and key fobs. The new keyless entry system enhances the safety and security of everyone who uses our building. Thank you to everyone who has made this project possible!

Heritage Christian Services Partnership Update

The opening of a new, small day program for adults with disabilities has been delayed for a few months while licensing and regulatory issues are worked out between Heritage Christian Services and New York State. The church, our members, and friends, will remain informed as developments take place.

Patrick Place

A new comfort care home in Scottsville began as an idea 10 years ago with 4 churches in the Scottsville, Caledonia area. Finally opened in summer of 2018. Always looking for volunteers as caregivers, cleaners, maintenance, fundraisers etc. Please go to PatrickPlace.org for more information on volunteering, upcoming events and general knowledge. Or contact me Linda Czerwinski at icemadam@aol.com for more info. I volunteer as a caregiver and feel privileged to do so.

Mission and Outreach Report - January 2020

John the Baptist gave us New Year's Resolutions: "Produce fruit that shows you have changed your hearts and lives...whoever has two shirts must share with the one who has none. And whoever has food must do the same." Luke 3:8, 11

For many, we can continue what we are doing to produce fruit:

- Raising children, teaching Sunday School
- Visiting friends and neighbors in need of love and care (whether in Rush, Guatemala or South Sudan)
- Working Super Sale, tending the gardens, mowing, shoveling snow
- Serving at Meal and More, 2nd Sunday lunch, restocking pews, counting money, preparing coffee every Sunday morning, etc.
- Sponsoring and writing to an orphan, gifts for Industry residents
- Giving significant financial support for our building, the budget, UMCOR

Packing Christmas boxes for Redbird, (3,000 boxes were sent out from the HUB on Dec. 1), Samaritan's Purse, volunteering at the HUB. Serving Flower City Work Camp, Rochester Refugee Resettlement Services And more, much more.

But as we look to the beginning of a New Year I am reminded of this admonition from Myron Augsberger, "The Christian church, as members of the global kingdom of God, needs to be far more itinerant and far less nationalistic if we are actually to spread the good news of the kingdom." The Robe of God

How can we change our hearts and lives to produce still more fruit in 2020?

Super Sale News

A big thank you to all who participated in making this Holiday Super Sale a success. We raised \$8,200 which will be used to support the general operations of the church. It couldn't have been done without the support from everyone. A big shout

We are once again taking in new, or gentle used items for our next sale in May. Please remember we **do not** take computers, monitors, or TVs.

Thank you all for your support,

Enjoy the Convenience and Greener Approach of Electronic Giving

Rush United Methodist Church wants to remind you that we offer electronic giving as a way to automate your regular weekly offering. Electronic giving offers convenience for individual congregation members and provides much-needed donation consistency for our congregation.

Credit & Debit Card Giving lets you make offerings automatically on a pre-determined schedule using a credit or debit card.

Online Giving lets you go to www.rushumc.org at any time to set up an automatic donation plan, change your donation plan, make a one-time donation or view your online donation history.

A less frequently discussed benefit of electronic giving is its positive impact on the environment. An enormous amount of natural resources are consumed in the production, transportation, processing and disposal of paper checks. That's why paying bills electronically always ranks high on any list of actions an individual can take to improve the environment. The trend toward electronic payments has already produced more than a 50% decline in check use since the year 2000.

As you consider the payment method you use to make your regular offering, we hope that you will think about the unique connection between financial stewardship and environmental stewardship, please consider electronic giving. Authorization forms and additional information are available from the church office.

What to Do In Bad Weather?

The weekday winter weather closing policy of Rush United Methodist Church is: if Rush Henrietta Schools have closed for the day or close during the day because of inclement weather, all activities at Rush UMC will be cancelled. A message will be on the church's voice mail, website and app and an email will go out on Rush Tidings.

Sunday services will be held unless Monroe County declares a state of emergency or Pastor Todd cannot get to the church. Again, the message will be on the church's voice mail, website and app and an email will go out on Rush Tidings.

If in doubt and travel seems risky – stay home!
